

## Public Scoping Meetings for Puget Sound Nearshore Ecosystem Restoration Project

The public is invited to comment on the scope of issues to be addressed in the Environmental Impact Statement (EIS). The EIS will be a joint federal NEPA and WA SEPA document. There will not be a separate SEPA comment period. Four public scoping meetings will be held across western Washington. Each meeting will have an open house from 4 – 6 p.m. and formal presentation from 6 – 7 p.m.
